### *Message from the Principal:*

May 20, 2016

Dear Parents:

Another successful year has quickly come to an end at Snyder Elementary. We continue to strive to provide the best possible education in a positive, safe, and pleasant environment that promotes and celebrates learning. I would like to thank all of you for reading with your children and helping with homework. I would also like to thank all of the volunteers that helped throughout the school year; you are a vital part of our school. If you haven't volunteered yet, I encourage you to do so. We could always use more volunteers. Please take time to look at the 2014-2015 School Report Card. I'm very proud of our school, staff, students, and parents. The report shows that 75% of our parents attended at least one parent/teacher conference and that we had 3.3 volunteer hours per student. The new A-F school grading scale is now in effect, and is determined by several factors. Attendance is one of the factors used and is solely controlled by you the parent. Our students averaged 8.6 days absent during the 14-15 school year. I have an outstanding group of teachers eager to teach your child. All we need is for you to take the responsibility of getting your child to school on time each day and give us the opportunity to teach. I hope all of you show your children the importance of education by your active support of our school and by your child's attendance! Keep encouraging your child to learn. Have a safe summer!

Sincerely

Ryan Granger  
Principal
