Message from the Principal:

May 11, 2016

Parents:

Another exciting and successful year has come to an end here at SHS. It seems like only yesterday that these seniors were starting their school career. That was my first year to be their principal at John D Moeller Primary. I would like to thank each of you for your positive and supportive involvement in making this an outstanding year. We have continued in our efforts to strive to bring back some Cyclone spirit, pride, and traditions to this wonderful old building. This year we started stressing to the students that their successes will be earned, no entitlements! I continue to encourage each of you to be an active participant in your child's education by attending their activities and parent teacher conferences. I also encourage you to stay up to date on your child's academics and attendance by regularly logging onto their on-line grade book:

Please take time to look over the 2014-2015 School Report Card. I'm very proud of our school, staff, students, and parents. The report card shows that our End-of-Instruction results were at or above the state averages in Algebra I, English II, Geometry, Biology I, Algebra II, and English III. We were slightly behind in US History. We continue to improve our curriculum and technology at SHS. We also need your help in showing your child the importance of their education by seeing that they come to school on time each day. Improving our attendance and reducing tardies is my number one priority again next year. It is a proven fact that good attendance directly improves academic achievement.

I hope all of you have a safe and fun filled summer and I look forward to the upcoming school year.

It's Always a Great Day to Be a Cyclone!

Ken McKee

Principal

Snyder High School
