Message from the Principal:

Dear Parents,

As my first year as John D. Moeller Primary principal comes to a close, I would like to thank each of you for your positive and supportive involvement in making this an outstanding and productive year. It has been my goal to provide leadership and work alongside an extremely dedicated staff and an amazing family community to provide the best possible education for your children.

Please take this time to look over the 2014-2015 School Report Card. I am very proud of our school, staff, students and parents. The report card shows that our Math results were above the state average and our reading results were slightly lower than the state average. We continue to strive to improve our curriculum and technology at JDMP and provide the best possible education in a positive, safe, and pleasant environment that promotes and celebrates learning. Working together we can ensure students achieve at high levels and are empowered to become self-directed, life-long learners.

I would like to take this time to thank all of you for reading with your children and helping with their homework. I would also like to thank all the volunteers that helped throughout the year and the family members and friends that attended any of our "Rise and Shine" celebrations. Your children love seeing you in the audience.

I have enjoyed getting to know the staff, students and parents on an individual basis and firmly believe that together we can and will make a difference in our students and instill the love of learning to each of them. I have "great expectations" and am confident that the students at John D. Moeller Primary will achieve excellence!

Sincerely,

A handwritten signature in cursive script that reads "Tamra Phelan".

Tamra Phelan
